I bought this phone which was dead within 3 weeks. Since I did not use it but rather send it to my brother, 40 days after buying the phone it was out of exchange If the folks at BGR are revealing the truth, then the BlackBerry Storm 3 is quite an impressive phone. The BlackBerry Storm 3 will feature the RIM's first-generation BlackBerry Storm wasn't exactly a huge hit, but RIM nailed the second generation version of this smartphone. Now Analysis firm Jefferies & Co. said a BlackBerry Storm 3, likely coming by the end of November, and BlackBerry PlayBook will boost RIM's BGR has the first look at the BlackBerry Storm 3, rumored to be released in September. Features of the new BlackBerry Storm 3 include: 1.2GHz processor. The BlackBerry Storm 3 looks good for a release around September of this year, and from what we have been told, the Storm 3 will launch in two or possibly three versions globally. Jonathan Geller is the founder of Boy Genius Report, now known as BGR, and one of the biggest tech & mobile destinations in the world.. The BlackBerry Storm 3 has been whispered about and wondered about for months, but now there's a murky trio of spy pics of RIM's elusive Is this the BlackBerry Storm 3? With RIM's BlackBerry 6 OS the most finger-friendly platform the Canadian company has prepared to date, we'd The forthcoming BlackBerry Storm 3 (or Storm 2 'refresh') looks like it's been canned by RIM.. BlackBerry Storm3 smartphone. Not officially announced yet. Features 3.7" TFT display, 5 MP primary camera, 1230 mAh battery, 8 GB storage, 512 MB RAM.. If the previous BlackBerry Phone, Dakota from RIM's stables wasn't enough, the mobile manufacturers will also be adding the Storm 3 to their range of phones.. RIM BlackBerry Storm 3 Device List. ... Updates to RIM BlackBerry Storm 3 browser user-agents and build information (using android build.prop info on android The Storm 4 will be focused on augmented reality, which will employ a 5-megapixel camera, accelerometer, digital compass, and GPS. Hopefully, Jump to Supported media formats - MPEG4, Simple Profile Level 3, 480x360 pixels, up to 2 Mbit/s, 30 frames per second, Supported. H.263, Profile 0 and 3, Level Looks like we have another leak on our hands, and this time it is the BlackBerry Storm 3, which is poised for a potential September release.. The BlackBerry Storm 2 came out this year and was a quality kit with solid software. If this massive leak concerning the BlackBerry Storm 3 turns Could it be the BlackBerry Storm 3 ? Things are still a lil cloudy yet exciting as pictures of a BlackBerry slider phone surfaced around the internet RIM's much anticipated BlackBerry Storm 3 specs and details were leaked last month, but today is the first time a video of the device has ...

First things first, we're slapping the big ol' rumor tag on this one. Take it all with a grain of salt. In fact make it rock salt because at this point none According to a tipster that is being held anonymous, the below image is a shot of the BlackBerry Storm 3. The tipster laid out the gadget as ...
